- In Sept. 2010, Pres. Obama committed the U.S. to the “innovative financing mechanisms” of the U.N. Millennium Development Goals.

# THE U.S. SUPPORTS THE NORTH AMERICAN UNION

**PERHAPS ONE OF THE TEN KINGS**

# **ON 5/25/10, PRES. OBAMA SAID HE WILL PUT 1200 TROOPS ON MEXICO BORDER**

- **The Mexican Embassy said Mexico “expects that National Guard personnel will strengthen U.S. operations in the fight against transnational organized crime that operates on both sides of our common border and that it will not, in accordance to its legal obligations, conduct activities directly linked to the enforcement of immigration laws.”**
  - **Notice, that the U.S. has a legal obligation to not enforce U.S. immigration laws.**
  - **The next day, the U.S. State Dept. said, the troops won’t enforce immigration laws.**

# OUR PARTNERS

- On 6/24/2010, the U.S. Dept. of Education announced that it was moving one of its upcoming meetings from Arizona to Minnesota because one of America's tri-lateral partners didn't want the meeting to be held in Arizona because of Arizona's immigration law.
  - Tri-lateral partners means three partners:  
Canada, Mexico and the United States.
- This tri-lateral partner that the Dept. of Education was trying to appease is Mexico.

## **SHOULD A STATE ABIDE BY THE U.S. CONSTITUTION OR UN AGREEMENTS**

- **In Sept. 2010, Pres. Obama reported the state of Arizona to the U.N. Commission on Human Rights for violating international agreements.**
- **He sued the state of Arizona to force it to follow international immigration law instead of United States immigration law.**

# OCT. 3, 2010

- **The San Francisco Chronicle suggested that the loss of American jobs caused by factories moving to Mexico under NAFTA weakened America's economic status and strengthened Mexico's economic status.**
- **The paper said this will make it easier to get Americans to accept the merger of Mexico and the U.S. to form the NAU.**
- **This paper views our bad economy as an opportunity to advance world government.**

**NOV. 30, 2010**

- **DHS Sec. Janet Napolitano signed an agreement with Mexico that will extend “trusted traveler” status to 84 million Mexicans.**

# FUTHERMORE

- It was also reported on Nov. 30, 2010 that more than 20 different “shadow government groups” of bureaucrats , agency heads and others are working on ways to incrementally proceed on NAU integration in the following areas: e-commerce, transportation, environment, food, agriculture, health and financial services.
- “Incrementally proceed” means gradually merge the three nations.

# THE NEXT DAY

- Canadian television reported that the Obama Admin. is drafting an agreement to erase the borders between Canada, the U.S. and Mexico.
- It said in 2005, the CFR called for the elimination of our borders by 2010 and the U.S. is moving to comply.
- Notice that the U.S. is moving to erase our borders.

- Pres. Obama signed the “Beyond the Border” declaration legalizing **“continental integration”** (the NAU), a North American Commission, a North American **Parliament** (government) and a Court on Trade and Investment.

# MEXICO IS NOT WASTING TIME

- On 1/19/2011, Mexico's Pres. Calderon signed an executive order to start issuing **bio-metric ID cards** to Mexico's school children to help them qualify for a "Trusted Traveler" card.

# AMERICA'S PROPOSED "TRUSTED TRAVELER" CARD

- The U.S. Customs and Border Patrol has proposed a North American "Trusted Traveler" card that displays a borderless North American Continent.

# TRUCKING COMPANIES

- Approved truck drivers will receive “Free And Secure Trade” (FAST) cards with the flags of all 3 nations on them that will let them cross borders unhindered (without inspections) in Mexico, Canada and the United States.

# **WHY ISN'T THE U.S. MENTIONED IN BIBLE PROPHECY**

**I BELIEVE THE U.S. IS IN BIBLE  
PROPHECY AS ONE OF THE  
TEN KINGS (THE NAU)**

# WHAT ABOUT SOUTH AMERICA

# ANOTHER ONE OF THE TEN KINGS

- On Feb. 24, 2011, Brazil's Defense Minister said South America must have a single voice on defense issues.
- He called for a common defense industrial base.

# WHAT ABOUT RUSSIA

# ANOTHER ONE OF THE TEN KINGS

- On Sept. 8, 2011, it was reported that Russian Prime Minister Vladimir Putin wants to join Russia, Belarus & Kazakhstan into a Eurasian Economic Union by 2013 with laws patterned after the EU (the European Model), borders open to trade, and perhaps a common currency.

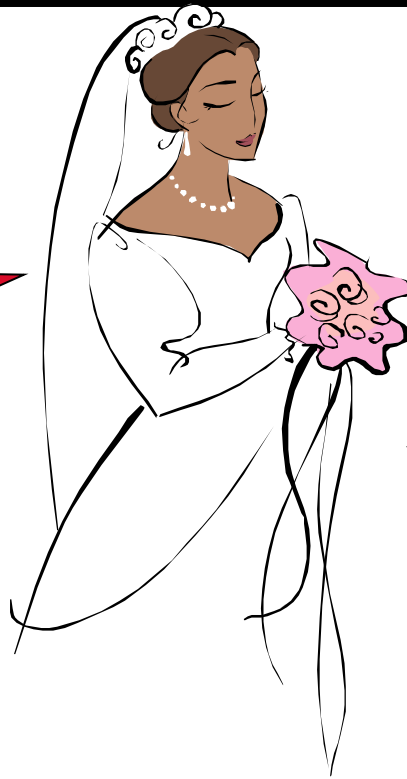

# THINGS WHICH MUST COME TO PASS

## THE REVELATION OF JESUS CHRIST (CHAPTERS 4-22)

**THE CHURCH WILL BE  
RAPTURED (Rev. 4:1)**

- **The dead in Christ will be raised with a new body.**
- **Living Christians will have their body changed in the twinkling of an eye.**
- **The entire Church will be pulled up toward Jesus.**
- **We will meet Jesus in the air.**
- **We will spend eternity with Him.**

# **WHAT A DAY THAT WILL BE**

- **Those of us who have diseases will be healed.**
- **We will be re-united with loved ones who have passed away.**
- **Millions will disappear from the face of the earth.**
- **The lost will be left behind.**
- **They will be stunned.**
- **Chaos and grief will reign.**

# **THE TRIBULATION PERIOD WILL BEGIN**

- **Jesus said it will be worse than anything the world has ever seen.**
- **That says a lot considering what recently happened in Japan.**
- **Concerning those who are left behind, approximately 3 out of 4 won't survive the next seven years.**
- **Multitudes will beg to die.**

# A WORD OF COMFORT

- **Christians will be removed by the Rapture before the Tribulation Period takes place so we don't need to worry about trying to survive these things.**
- **But we need to be concerned enough to tell others about what is coming and that God has made a way of escape for those who accept Jesus.**

# THE FOUR HORSEMEN OF THE APOCALYPSE WILL BE RELEASED

**1<sup>st</sup>  
SEAL**

# **THE 1<sup>ST</sup> HORSEMAN WILL BE THE ANTICHRIST (Rev. 6:1-2)**

SEAL**

## **THE 2<sup>ND</sup> HORSMAN WILL REMOVE PEACE FROM THE EARTH (Rev. 6:3-4)**

  - **Kings from the East & North (Dan. 11:44).**
  - **What to do about Jerusalem, etc. (Zech. 12:1-3).**

# **ITS HARD TO BELIEVE**

- Some find it difficult to believe that Jesus will break the seal to remove peace from the earth.**
- Others find it more difficult to believe that Jesus will sit idly by while the Antichrist establishes a Satanic one-world government & religion that persecutes & kills everyone who becomes a believer.**
- Peace on earth is worthless if everyone on earth is an unbeliever destined for hell.**

3<sup>rd</sup>

# THE 3<sup>RD</sup> HORSEMAN WILL BE FAMINE & ECONOMIC COLLAPSE (Rev. 6:5-6)

- “A measure of WHEAT for a penny [a day’s wages], and three measures of BARLEY for a penny” (Rev. 6:6).

HYPER-INFLATION

WORTHLESS MONEY

# CONCERNING WHEAT AND BARLEY

- In 2010, record high temperatures, wild fires & drought caused Russia to lose  $\frac{1}{4}$  to  $\frac{1}{3}$  of her WHEAT crop & to stop all exports of wheat and flour until 12/31/2011.
- Heat destroyed 15% of Ukraine's WHEAT & 12% of Germany's WHEAT.
- Floods destroyed 15% of Pakistan's WHEAT.
- The price of WHEAT rose 70% in 3 mos. & the price of BARLEY doubled in 6 weeks.
- WHEAT prices are near record highs.

# FOOD SUPPLIES ARE DWINDLING

- In 2010, China used some of her food reserves to try to stem the rise in prices.

- Concerning a food crisis, one U.N. official said, "We are entering danger territory."

# AMERICA'S HAS LESS FOOD

- In 2011, soaring oil & grain prices are causing everything to increase.
- It was reported that the Pentagon and Defense Intelligence was studying how a food crisis would impact the U.S.
- The fact that our own government is studying this should tell us that this thing could be getting serious.

# **A BAD START IN 2011**

- Lost crops along 1300 miles of coast for a distance of 6 miles inland & radioactive rain & run off in Japan**
- 4.7 million acres burned & many animals killed by wildfires in Texas.**

# AMERICA HAS ECONOMIC PROBLEMS

- In Sept./Oct. of 2010, several politicians said the U.S. Federal Reserve plans to use inflation to erode America's national debt.
- Inflation is a tool that nations use when they owe more than they can pay.
- They pay their debt with inflated money that's not worth much.
- But inflated money buys less because the price of everything goes up.

# INFLATION HAS STARTED

- On Nov. 4, 2010, the Fed. Res. said it will buy \$600 billion of U.S. bonds over the next 6mos.
- This regulated inflation, called QE-2, required an orderly printing of money.
- Some say that will trigger an orderly decline in the value of the dollar, and ultimately cause the price of everything Americans purchase to go up.

# SPENDING GONE WILD

- **The United States now borrows 42 cents of every dollar it spends.**
- **Many say America is headed for collapse.**

# BAD NEWS FOR AMERICA

- On April 18, 2011, Standard & Poor downgraded America's debt outlook from stable to negative.
- This means that America's historical financial strength is almost gone.

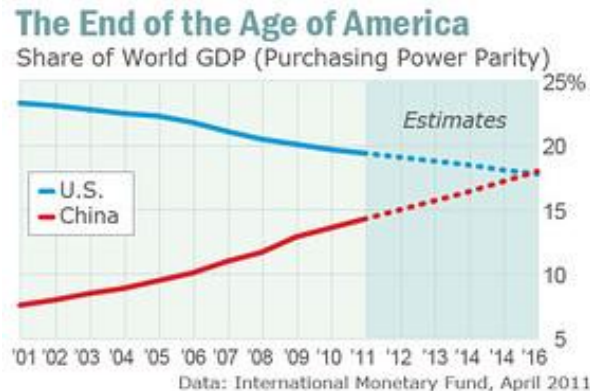

# THE CRUMBLING DOLLAR

- **The value of the dollar is declining because the Federal Reserve keeps increasing the supply of money (inflating our money by printing dollars).**
- **A dollar that was worth 100 pennies in 1971 is worth 19 cents today (down 81%).**
- **If this continues, it will take a box full of money to buy a meal.**

# THE END IS NEAR

- On 4/25/2011, the IMF predicted that 2016 will be “**THE END OF THE AGE OF AMERICA.**”

# **MAKING IT LEGAL TO HOLD AMERICANS**

- **In 2010, Sen. John McCain & 8 co-sponsors introduced a bill (S-3081) in the Senate that will allow the U.S. Pres. to designate any American citizen (or foreigner) as an “enemy belligerent,” put him/her in jail, & hold them there indefinitely without charges or a trial.**
- **Many consider this unconstitutional and it has not yet been voted on.**
